

## PROFILE

Motivated Electronics Engineering student with hands-on experience in embedded systems, circuit design, and communication technologies. Skilled in working with microcontrollers (Arduino), sensors, and wireless modules, with practical project experience including heartbeat monitoring, FM techniques, and optical communication concepts. Strong problem-solving mindset complemented by interest in real-world hardware applications and system debugging. Seeking internship or entry-level opportunities to apply technical knowledge and grow in embedded systems, IoT, and electronics R&D environments.

## HOBBIES

Singing

# SHUBHAM JAIN

Electronics engineer

## EDUCATION

**Garima Vidhya Vihar sr. Sec. School**  
9<sup>TH</sup> To 10<sup>TH</sup>

**Arpana convent High Secondary**  
11<sup>TH</sup> To 12<sup>TH</sup>

## SKILLS WITH PROJECT

**MATLAB.**

**TINKERCAD**

**SCILAB**

**Proteus**

**IOT**

## GOOGLE WORKSPACE

**KICAD**

**WEB-DEV** (HTML, CSS)

**MS EXCEL**

**MS OFFICE**

**MS WORD**

**POWERPOINT**
